255 S. Grand Ave., LA 90012

**Conditions of Approval:**

1. Not Suitable for Hazardous / Classified Areas.
2. This equipment shall only be used in dry locations.
3. This device shall only be installed and maintained by authorized, trained and qualified personnel.
4. The final installation of this system shall comply with all the local and national codes.
5. This device is only evaluated for fire and shock hazard, its performance and accuracy have not been investigated.

The equipment processed under the above application number has been evaluated and found to comply with the applicable requirements of the Los Angeles City Electrical Code and is hereby accepted. The approval of this equipment is only valid while installed and maintained in accordance with all the related codes, standards and the manufacturer's installations and operating instructions. This equipment shall not be relocated or modified without prior authorization from Electrical Testing Lab.

This acceptance is neither a product endorsement nor a certification of accuracy, function or calibration of the equipment. This acceptance does not fulfill the requirements of approval which may be required under the Plumbing or Mechanical Codes of the City of Los Angeles.

NOTE: This acceptance applies only to the actual equipment examined at the above field location and is not subject to annual re-examination.
