Approved:	April 16, 2018
Expiration:	April 16, 2019
Application No:	402839
Name of Item:	Juice Extractor
Manufacturer:	Ruby Manufacturing, Inc.
Model:	The Ruby 2000

**Conditions of Approval:**

1. Not suitable for Hazardous / Classified locations.
2. The equipment shall only be used in dry locations.
3. The equipment shall be maintained and used in accordance with the manufacturer's instructions.
4. The equipment shall be energized from a GFCI protected circuit.
5. The final installation of this system shall comply with all the local and national codes.
6. The equipment is only evaluated for fire and shock hazard, its performance and accuracy have not been investigated.

The equipment processed under the above application number has been evaluated and found to comply with the applicable requirements of the Los Angeles City Electrical Code. The equipment shall not be relocated or modified without prior authorization from Electrical Testing Lab. This approval shall expire on the date indicated unless revoked sooner for cause.

Each approved item shall bear the approval label of the Department, attached in a manner determined by the standards, or otherwise made readily visible for inspection without disassembly. Approval labels may be obtained only by the written authorization of the applicant or his authorized representative and shall be available only during the year of approval. The applicant shall be held responsible for this use. No labels shall be affixed to any item not currently approved by the Department, nor shall the labels be transferred to the possession of any unauthorized person.

Prior to the expiration date of an approval, the applicant shall file the following in order to initiate renewal processing: (1)A completed set of application forms; (2)The required renewal application fee and any supplemental fees if required; and (3)A current sample of the article submitted for approval renewal produced within 90 days of submittal date. Failure to submit any of the foregoing by the expiration date will result in closing of the file.

This approval does not fulfil the requirements for approval which may be required under the Plumbing or Mechanical Code of the City of Los Angeles.
